## DAILY ANSWER WRITING PRACTICE

Date: 25-06-2020

---

1. People with depression are increasing in young generation year on year over the last decade. Discuss the factors leading to depression. Also suggest the ways to eliminate depression among people?

(Source: The Hindu editorial on depression Page 7)

2. 'Even though digital learning has shown the solution to classroom learning during COVID-19 Pandemic, but it cannot replace the complete effectiveness of classroom learning'. In this context, critically examine the classroom learning in India. How can we ensure better education to the child in our country?
